

Make Waves @ Your Library Summer Reading 2010

How do you earn prizes this summer? It's easy.

On the other side of this page is a Choose Your Own Summer Reading Adventure. Do a task, move on to the next. It's that easy.

When you complete a task take this form to the front desk. A librarian will mark that task off and give you a raffle ticket. When you have completed all tasks you will receive an extra ticket and a surprise.

In order to get your task marked off you must write a short review of the book you read, movie you watched, or show the photo you took. Reviews must have a short summary of the book and why you did or didn't like the book.

Track your steps here: (for each book write down title and author)

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

All raffle tickets must be earned by Friday, August 13th. Winners will be called the following week.
